M A G ANNUAL REPORT

## MESSAGE FROM OUR CHAIR

Leading MAG's Executive Council has been an honor and a glimpse of what's possible when collaboration drives progress. This inaugural annual report reflects the vision, planning, and innovation happening across our three departments: Informed Aging, Community & Economic Development, and Planning.

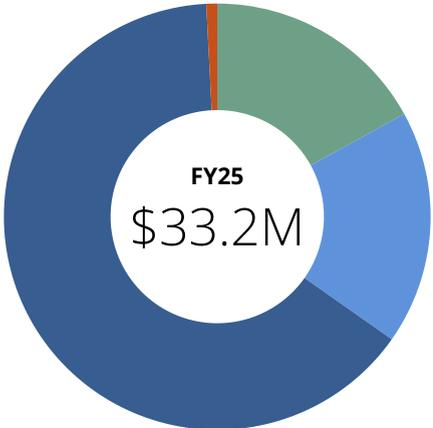

Together, we're shaping communities and building a stronger future for our region. The challenges of growth are real, but our shared commitment positions us well to meet them. I look forward to continuing this momentum as we plan for the future with purpose and unity.
