

AGENDA ITEM # 3

DATE:	02/24/2020
SUBJECT:	Vineyard Rail Consolidation Project
PREPARED BY:	Bob Allen
BACKGROUND:	The Vineyard Rail Consolidation Project will improve freight rail operations in Vineyard and Orem, Utah, by streamlining routes, consolidating switching, increasing safety by reducing the number of at-grade crossings, and improving overall freight operations through a fast-growing urban area. This project will abandon 2 miles of the Provo Industrial Lead track that currently runs along Geneva RD in Vineyard from approximately Orem Center ST to 1600 N and construct new leads from the Provo Subdivision tract that runs parallel to the Provo Industrial Lead to the west. Vineyard Local Funds 10,000,000 CRISI Federal Grant 6,839,292 Total Funds 16,839,292
STAFF RECOMMENDATION:	UDOT Region 3 requests and MPO staff recommends that the project be modified into the Transportation Improvement Program (TIP).
TAC RECOMMENDATION:	
SUGGESTED MOTION:	I move that the TIP be modified to add The Vineyard Rail Consolidation Project at \$16,839,292 to the TIP.
